About us:

Here at the Wheatsheaf, we like to keep things local, our meat is sourced from Potters Butchers in Stanwick, Ales from Nene Valley Brewery in Oundle, Wine is from Amps also from Oundle, and our fruit and veg comes from Adams Apple based in Raunds. We are also extremely lucky to have local villagers who enjoy growing fruit and veg on their allotment who provide us with ingredients for our weekly special dishes. A keen fisherman who brings us his daily catch can also be found topping up our already varied menu.

We are an extremely dog friendly pub with designated areas for you to enjoy your meal with your pooch and a large beer garden and patio area available for outside use.

You are always guaranteed a warm welcome from the team here at The Wheat-sheaf. We hope you enjoy your meal, if so, please tell others, but if not then please tell us!
